Simple Study Skills

A Guide to Studying Smarter Grades 3-8

Speech Pathology and Educational Center is proud to offer this EXCEPTIONAL opportunity for your child to maximize his/her learning techniques and to structure their study time as efficiently as possible. Success in school begins with good study habits! Good study habits CAN be developed early! Our **SIMPLE STUDY SKILLS PROGRAM** gets results! The goal is to teach students critical study skills which will allow them to work independently at home and at school with great success. Students will work at their grade level with their current (actual) school textbooks. Our course includes a Parent's Homework / Study Guide.

The following topics are covered in this course:

- Time management and organizational skills
- Reading comprehension and note taking skills
- Memorization and test taking techniques
- Reference skills
- Personal learning styles
- Understanding organizational features of textbooks
- Listening skills

Class size & times: Class sizes are a minimum of 6 students and a maximum of 20 students.
